The Board went into closed session at 8:04pm.

An abatement for Timber Taxes was submitted by Mr. and Mrs. Placey. Robert Benson the logger of this operation sold the logs claimed on the report of cut for \$3234.81, Bruce Barnum, tax assessor for Town has this cut valued at \$6743.40. The billing amount would be %10 of the total values. Placeys are looking to abate the difference in tax bill, being \$350.86. Robyn verified the Towns assessment through Bruce Barnum as well as Rick Evans from DRA. Placey has forwarded documentation from Benson on billing. The Board will reach out to Placey to verify they have submitted all information they have. A decision will be tabled until next week.

Abatements mentioned in 2/24 minutes for tax billing correction were signed. These amounts will be abated.

State owned property on 302 has unpaid taxed added from several years. Robyn informed that the State doesn't pay taxes. The Board has requested she look into this to confirm.

Several other properties still have owner issues and these will also be looked into for corrections.
