Amount from Town Report for taxes to be raised \$525,344. Was adjusted to \$505,344 based on DRA recommendations to remove \$20,000 statistical revaluation funds from expense and revenue reports because of its town fund to town fund transfer process.

Process for HB1129 was explained.

Mailing sent to all voters on process.

Reviewed expense, revenue, and nonrevenue interfund transfer and overlay reports

John Wright offered to be one of the volunteers representing the town on the communications committee if it passes.

Brenda Dodge asked whether Hydrochloride was going to get put down this year.

The transfer station report has been added to the website meeting page.

Andy will be getting a 2nd paving quote.

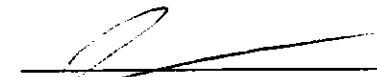

Hearing adjourned at 8:25.
