Administrative Assistant: Robyn Gilmartin

Marilyn Booth

Meeting began at 7:05pm.

Checks were signed.

Irv Locke attending to discuss driveway permits on state owned roads. He has recently sold a 50 acre lot adjacent to his. The new owner had applied to the State for driveway permit and was denied due to a 2009 subdivision and some subsequent rules of the State's. Irv Locke's present driveways will also be impacted in that he will only be allowed one. Irv will have the new owner give Robyn his contacts. The Board will look into any possible appeal process.

Marilyn Booth, Conservation Committee Chair, has come to ask if the money allocated for a new generator can be rolled into next year as the timing for the work won't be done until then.

Robyn will call Jeff McKay about cleaning the furnace at the Town Hall.

Jared Mardin had come in last week to inspect the sulfur smell in the water. He recommended we use a different filter, more suited to this issue. He has replaced the filter and let Robyn know the correct one to use.

There being no further business, the meeting adjourned at 9:00 p.m. The foregoing minutes were approved on October 16, 2019, by the following members of the Select Board:
