

FRIENDS OF LANDAFF NEWS

SPECIAL 2010 LANDAFF OLD HOME DAY EDITION

Don't forget to check your attic and basement for things to donate for the auction! Do it now! Hurry! Don't be late! Make haste! Come and have fun with your neighbors!

Dear Landaff Neighbors,

Another Old Home Day weekend is almost here. This year it is on August 21. There will be an auction outside the fire station at 9 AM, a Grange display in the town hall, Blue School videos in the church, a concession stand and Friends of Landaff sale all during the day.

The Parker Hill Road Band is booked for a free concert at the town center at 6:30 PM. Saturday's events conclude with a ham and bean dinner with homemade salads, casseroles, and pies. For reservations at the two settings, 5 PM and 6 PM, call Mary Beaudin at 838-6055. Prices remain at \$7 and \$4. The proceeds from the dinner go to both the fire department and the Blue school. Expect your annual calls for casseroles, pies or salads. You may also email the Beaudins at mdbeau@ncia.net with information regarding what you will be making for the dinner or what you would be willing to do for help. We always have a great time in the kitchen – and this year the kitchen has a brand new look, thanks to the Friends of Landaff!

In the coming days the fire department hopes to pick up any quality item you are willing to contribute to the auction. The items may include antiques, furniture, glassware, musical instruments, tools, books, baked goods, maple syrup, crafts or even services from your business. The sooner you call, the easier it is for the firemen. It also helps us advertise specific items. We already have lots of glassware and a few pieces of furniture.

Numbers to call are 838-6055 (Don Beaudin), 838-5560 (Doug Erb), or 838-6431 (the fire station). All three numbers have answering machines.

The most important thing is for you to attend these events. Bring your friends. Thanks for your continued community spirit!
